

System	Characteristics	Advantages	Disadvantages
Traditional helpdesk	Manually, self dependent	Personal touch	Limited hours, slow response
Website FAQs	Static QA List	24/7 access, easy to use	Not interactive, hard to update
College helplines	Phone/ Email support	Direct contact	Delay in response, varies by college
Email Support	Query via email	Documented replies	Slow, not real time
General chatbots	AI based virtual assistance	24/7 fast, scalable	Needs training, may miss complex context
DTE Website	Centralized info portal	Official, informative	Lacks live support, not dynamic
